PART THREE: INDEX BY AUTHOR

NOTE: A good deal of the material in Volume I of THE VIPER was submitted to us in the form of "letters to the editor". Those authors are not listed here. Some of the material was prepared by the editors; they are not listed here except for specific articles which may be of overwhelming interest. If an article was continued over two or more issues, only the first appearance of that article is listed for the author.

AUTHOR	ARTICLE	ISSUE	Page
Astle, Brian	Life	V	10
Barrett, W. A.	Breakpoint & Register Display	IV	13
Bennett, John	Saving & Restoring CHIP-8 Variables	X	7

These are only some of the articles which appeared in the first four (that's right - all this - and more - in only four) issues of THE VIPER!

A year's subscription to THE VIPER includes all ten issues (every month except June & December) of the current Volume - so even if you're late getting your subcription order in, you won't miss any of the exciting features already published. And there's even a column for you -to share your favorite VIP project, and to read about other VIPper's experiences.

Send your check for $15.00 (or use your VISA, MC, or BAC card) for a full year's subscription. Outside USA and Canada, add $10 for overseas airmail. Sorry — no C.O.D. or billing is available. Mail your order to THE VIPER, P.O. Box 1142, Columbia, MD 21044.
